

First day of trading in BoMill's shares and warrants on Nasdaq First North Growth Market

Today is the first day of trading in BoMill AB's ("BoMill" or "the Company") shares and warrants of series TO 1 on Nasdaq First North Growth Market ("First North"). The Company's shares are traded under the ticker BOMILL, with ISIN code SE0014583332, and the Company's warrants of series TO 1 are traded under the ticker BOMILL TO 1, with ISIN code SE0014829479.

In September 2020, BoMill carried out a significantly oversubscribed issue that provided the Company with approximately SEK 30 million before issue costs. In addition to the capital provided, BoMill received approximately 1,170 new shareholders.

CEO Andreas Jeppsson comments

"It has been great to experience the significant interest in the Company and it is clear that many have realized the potential in our product offering, which can enable more efficient use of grain produced and meet the consumer's growing demand for Food Quality and Food Safety. We look forward to operating as a listed company, with the opportunities that follow."

Advisor

Sedermera Fondkommission has acted as financial advisor and issuing agent in connection with the issue and listing. Markets & Corporate Law Nordic AB has acted as legal advisor.

BoMill has developed and marketed a patented technology for sorting grain on a large scale, based on the inner qualities of each kernel. The method is the only one of its kind on the market today and is deemed by the board to have potential to become a so-called Golden Standard. The Company operates in several markets and has sold sorting equipment to a number of reputable companies in the grain industry. For more information about BoMill, please visit www.bomill.com.
