BOMILL APPOINTS NEW HEAD OF SALES

BoMill AB (publ) has appointed Susana Morales as Head of Sales. She will assume the position from March 1, 2023 and will be part of the Operation Management Team.

In this position, Susana will drive BoMill sales activities to accelerate the company's revenue in conjunction with the recently launched individual grain sorting equipment: BoMill InSight.

Susana brings over 10 years of experience from the food and feed businesses where she held various technical and commercial positions in Chile and Sweden. Most recently she worked for MBP Sweden AB, part of MBP Solutions, a company operating in the market of bio-based by-products. Susana holds an MSc. In Industrial Engineering from Universidad Adolfo Ibañez, (Chile) and is currently an EMBA candidate at Copenhagen Business School (Denmark).

"We welcome Susana Morales as our Head of Sales. Susana's international sales experience and passion for food production and sustainability will be a great asset to our team." comments Andreas Jeppsson, CEO at BoMill.

"I am thrilled to join the BoMill team. The recently launched, BoMill InSight offers, the agriculture and food industries, new opportunities to use our natural resources in a more effective and sustainable way. I look forward to leading the commercial development at such an exciting phase for the company", stated Susana Morales, Head of Sales at BoMill.

BoMill has developed and markets a patented technology for sorting grain on a commercial scale, based on the internal qualities of each kernel. The method is the only one of its kind on the market today and is estimated to have the potential to become a Golden Standard within the industry.

The company is listed on Nasdaq Stockholm First North Growth Market under the ticker: BOMILL.
