BOMILL APPOINTS HANSI BIEDERMANN AS BUSINESS DEVELOPMENT MANAGER

BoMill AB (publ) announces the appointment of Hansi Biedermann to the newly established role of Business Development Manager. He assumes the position from May 12, 2023 and is part of the Operation Management Team.

In this position, Hansi will drive BoMill's activities strengthening existing business cases and identifying new applications for the recently launched grain sorting equipment, BoMill InSight™.

Hansi has a long experience and strong knowledge of the BoMill technology. He has been within the company since 2009 with various technical positions and has been a key member of the team developing BoMill InSight. Hansi holds an MSc. in Engineering from Lund University (Sweden).

"This newly created position supports further our commercial ambitions. Hansi's experience and knowledge will be great assets for this role. I wish him the best of success in this new assignment." comments Andreas Jeppsson, CEO at BoMill.

"I am excited to take this new position and further contribute to the success of BoMill, in what is undoubtedly the most exciting period in the company's history", stated Hansi Biedermann, Business Development Manager at BoMill.

BoMill has developed and markets a patented technology for sorting grain on a commercial scale, based on the internal qualities of each kernel. The method is the only one of its kind on the market today and is estimated to have the potential to become a Golden Standard within the industry.

The company is listed on Nasdaq Stockholm First North Growth Market under the ticker: BOMILL.
