## BOMILL SIGNS AGREEMENT WITH BALTIJOS JAVAI WORTH EUR 270,000

**BoMill AB has signed an agreement worth EUR 270,000, with Baltijos Javai, a grain processor based in Lithuania and specialized in barley.**

Based in Kaunas, Lithuania, UAB "Baltijos Javai" was established to operate and bring further value to the malting barley market. The company provides processing and trading capabilities as well as consultancy services to the barley value chain, from growers to processors.

With the objective to further optimize the use of malting barley produced in the region, Baltijos Javai sees the benefits of BoMill InSight™ in securing quality and optimizing supply of barley.

The order value of EUR 270,000 includes the supply and installation of BoMill InSight™ equipped with two sorting units. The delivery of the equipment is scheduled for Q4 2023.

"We are excited about our agreement with Baltijos Javai. BoMill InSight reaches another region where it will prove its sustainable benefits. We are looking forward to supplying Baltijos Javai with our equipment and supporting them in their development", says Andreas Jeppsson, CEO of BoMill AB.
