BOMILL RECEIVES ORDER WORTH EUR 500,000 FROM GRUPO TRIMEX

BoMill AB has received an order for BoMill InSight™ worth EUR 500,000, from Grupo Trimex, the leading flour milling group in Mexico. The order is a result of a successful collaboration with IP Global Tech & Machinery, the exclusive distributor of BoMill in Mexico.

Grupo Trimex was founded in 1995 after the merger of four flour mills in Mexico. Today the company is the leading flour miller in Mexico, operating different locations across the country, to produce and market a broad range of flour products.

The group is always striving to offer innovative, high-quality products that meet consumer needs while also taking responsibility for supporting Mexican businesses. The BoMill InSight™ solution will further optimize the use of locally produced wheat, improving sustainability and wheat supply efficiency.

The value of the order is EUR 500,000 for the supply and installation of BoMill InSight™, in one of Grupo Trimex's flour mills. The delivery is scheduled for Q1 2025.

"We are really excited to receive this order from Grupo Trimex. and look forward to developing our collaboration with such a renowned group in the region.", said Andreas Jeppsson, CEO of BoMill AB.
