## A NEW ORDER FOR BOMILL INSIGHT WORTH USD 320,000 FROM LEADING MALTING GROUP

**In collaboration with Bratney, the exclusive distributor of BoMill in the USA, an order, worth USD 320,000, has been received for BoMill InSight™ from a global leading malting group with operations in North America.**

The group, a global leader in the malting industry, continually strives to deliver innovative, high-quality products while supporting local farming businesses. By adopting the BoMill InSight™ solution, the group will target specific qualities to further optimize the use of locally grown barley while enhancing both sustainability and production efficiency.

The order valued at USD 320,000 covers the supply and installation of BoMill InSight™ and is scheduled for no later than Q3 2026.

Part of this order is already in Bratney's stock and recognized as BoMill's revenue in 2025. BoMill will supply the remaining components to fulfill the order. The cash settlement for the full order value is expected in 2026.

*"We are excited about this new collaboration, a leading player in the malting business. This agreement also marks an important milestone for BoMill InSight™, representing its first installation in the United States."* stated Andreas Jeppsson, CEO of BoMill AB.

*"We enjoy a long-standing partnership with BoMill as their exclusive distributor in the US. It is fantastic to see this collaboration coming to fruition through this agreement. We look forward to working closely with both BoMill and the malting group on this project."* commented Peter Bratney, CEO of Bratney.
