BOMILL Q2 REPORT APRIL – JUNE 2026

BoMill AB ("BoMill" or the "Company") hereby publishes the Interim Report for the period April 1 – June 30, 2026. The Report is available as an attached file to this release and on BoMill's website. Below is a summary of the report.

Increased sales and positive net income combined with expanded product portfolio

CEO Andreas Jeppsson comments:
"Strong sales during the second quarter contributed to a positive result. In our project-driven business, quarterly sales can vary depending on the timing of customer projects, and individual quarters should therefore be viewed in that context. Our expanding product offering, stronger partnerships and increased commercial focus continue to strengthen our platform for growth and bring us closer to sustainable profitability."

Financial overview for the second quarter (April – June 2026)
